**(1) Explanation of selection process terms:**

Open Tender: A request for tender is published widely and all submissions received before the deadline are accepted from any potential suppliers who satisfy the conditions for participation.

Select Tender: An invitation to tender is issued to potential suppliers from a short list.

Direct Sourcing: A form of restricted tendering in which an agency may invite a potential supplier or suppliers of its choice to make a submission because of their expertise and/or their special ability to supply the goods

**(2) Justification for decision to use consultancy:**

A – skills currently unavailable within agency

- B – need for specialised or professional skills
- C – need for independent research or assessment
