CLEAN FUELS BULLETIN

September 2003

Biodiesel Fuel Quality Standard Set

The *Fuel Standard (Biodiesel) Determination 2003* (the Determination) was signed by the Minister for the Environment and Heritage, Dr David Kemp, on 18 September 2003.

The Determination sets out the physical and chemical parameters of the biodiesel standard. It also sets out the associated test methods that the Government will use to determine compliance.

A copy of the biodiesel fuel quality standard will be available at:

[http://www.law.gov.au/portal/govgazonline.nsf/\(custom-spcnot-pub-view\)?OpenView](http://www.law.gov.au/portal/govgazonline.nsf/(custom-spcnot-pub-view)?OpenView)

Thank you to all those stakeholders who provided comment during the development of the standard.
