Water, Heritage and the Arts

# NATIONAL POSTGRADUATE TRAINING WORKSHOP IN SYSTEMATICS

The University of Adelaide  
21-25 July 2008

*Sponsored by:*

Australian Biological Resources Study  
Environmental Futures Network  
Research Network for Vegetation Function  
Australian Centre for Evolutionary Biology & Biodiversity  
(The University of Adelaide)

---

*This workshop will include advanced level training in phylogenetic methods, mapping and GIS overlay, interactive key development, imaging techniques, nomenclature, databases, publishing results, finding a job, and much more.*

The workshop is designed for PhD students in the first half of their project, but applications will be accepted from anyone who is in the first 3 years of candidature. Funding is available to assist students attending the workshop, but there is a maximum of 30 places – available only to students enrolled in Australian and New Zealand Universities.

**Application deadline 31 March 2008**

Application forms at:
