

Swamps of the Fleurieu Peninsula Threatened Ecological Community

LEGEND

- Ecological community likely to occur
- Major Roads
- Other Roads
- Rivers, Lakes and Reservoirs

Note:
This is an indicative map only and it is not intended for fine scale assessment.

Source:
The Swamps of the Fleurieu Peninsula threatened ecological community is from Environment Australia's Communities of National Environmental Significance database. The area mapped is derived from swamp distribution data from Littlely, T. and Cutten, J. (1994). Draft Recovery Plan for the Mt Lofty Ranges Southern Emu-wren (*Stipiturus malachurus intermedius*). Conservation Council of South Australia, Adelaide. Mapped are those areas with Status Codes: Intact Swamp (x); and Partly Grazed (d).

The TOPO250K data is Copyright (c) Commonwealth of Australia, 1994.

The swamp distribution data is Copyright (c) Conservation Council of South Australia, 1994.

Detailed Road Centreline Data - Australia is Copyright (c) MAPINFO Australia Pty Ltd, 1997.

Caveat:
The information presented in this map has been provided by a range of groups and agencies. While every effort has been made to ensure accuracy and completeness, no guarantee is given, nor responsibility taken by the Commonwealth for errors or omissions, and the Commonwealth does not accept responsibility in respect of any information or advice given in relation to, or as a consequence of, anything contained herein. The map has been collated from a range of sources, with data at various resolutions.

Data used are assumed to be correct as received from the data suppliers.
