THE TASMANIAN COMMUNITY FOREST AGREEMENT

FOREST CONSERVATION FUND

Request for Site Assessment

- I would like a Conservation Adviser to undertake a site assessment of my forested land.
- I am aware that the programme is voluntary and I can withdraw at any stage before signing a contract.
- I own the land I am interested in protecting, OR
- I am an authorised representative of the person or organisation who owns the land
(please provide details of who you represent and your authority).

- I have selected 3 Conservation Advisers from the list provided and they are:

Conservation Adviser 1 _____

Conservation Adviser 2 _____

Conservation Adviser 3 _____

I am interested in protecting the forest conservation values on my property by: *(tick one or more)*

- entering into a conservation covenant for a fixed term or in perpetuity.
- selling part or all of my property.

The forested area I am offering to protect or sell is about _____ hectares in area.

The area I am offering to protect: *(tick one or more)*

- has old growth forest
- has under reserved forest communities
- has forest but I am not sure of the type

Please complete the remainder of the form overleaf

The Property Identification (PID) or Land Parcel Identifier (LPI) of the area I am interested in protecting is: _____ (if known)

I have attached a map (eg. photocopied 1:25,000) of my property indicating the area I want to protect

I declare that the information provided on this form is true and correct, and that I have read the attached Request for Site Assessment Advice.
