THE TASMANIAN COMMUNITY FOREST AGREEMENT

FOREST CONSERVATION FUND

Fact Sheet 7: FCF tender Application Checklist

This checklist is for your use prior to submitting a proposal.
This checklist is not compulsory for you to complete and
is for your information and guidance only.

- You are aware the FCF is a voluntary programme.
- You have read and understood all information provided to you and discussed your options with a Conservation Adviser.
- You own the land you are interested in protecting.
- You do not have a current conservation covenant on the forested land you are interested in protecting, or are not currently funded for one.
- You have spoken to your family or business partners about your decision to place a conservation covenant on your property.
- You have sought independent financial and legal advice or have decided not to.
- You have spoken to other landowners with a conservation covenant on their property already.
- You have understood your obligations under the conservation covenant and future management actions in the nature conservation plan.
- You signed the application form and included the following documents - application form, draft covenant and draft nature conservation plan.
- You understand the forward process once your application has been submitted.
