*Booderee, a jointly managed place*

There are three camping areas at Booderee. Green Patch caters for vans, camper trailers and tents while Bristol Point and Cave Beach are suitable for tents only. All campsites are unpowered.

## Bookings

Bookings are essential and may be made up to four months in advance. They are not transferable and sites cannot be sublet. Sites can be reserved for a maximum period of three weeks.

When making a booking please provide:

- dimensions of your tent, tents or van (annexes and awnings must be included in dimensions);
- number of vehicles you will have on your site (trailers and boats are counted as vehicles); and
- registration numbers of all vehicles.

## Check-in and check-out

Please check in at the Booderee Visitor Centre. Camping fees include park-use fee — campers must have their receipts clearly displayed in their cars at all times. There is a per person charge for adults and children 5-16 years. Over peak weekends there is a minimum two night stay. Campsites must be vacated by 12 noon on the day of departure.

## Deposits and refunds

Full payment in advance is required for camping fees. Any cancellation must be made 14 days before arrival date in order to receive a refund (less \$20 administration fee).

## Christmas period

Campsites at Green Patch and Bristol Point are allocated on a ballot system for the Christmas school holidays. To take part, apply in writing between August 1 and August 21. There is a limit of one site per booking for maximum stays of three weeks in blocks from Saturday to Saturday. Deposits are required on notification of successful ballot draws.

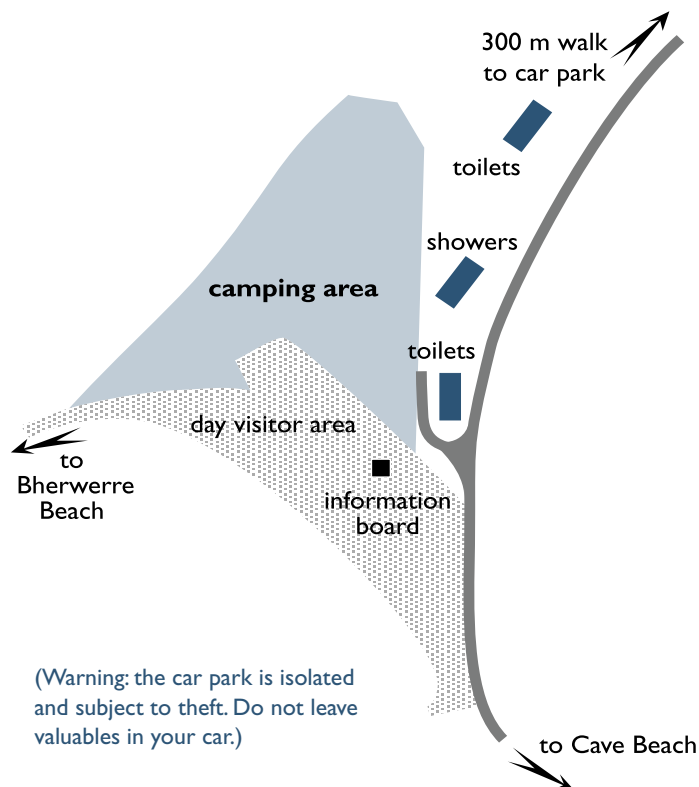

**Peak period** is December, January and Easter school holidays — minimum two night stay on weekends.

**Shoulder period** is February to the beginning of the Easter school holidays, September school holidays until 1 December.

**Off-peak period** is from the end of the Easter school holidays to the beginning of the September school holidays.

## Camping at Cave Beach

This grassy camping area is set amongst coastal tea-tree and is ideal for lightweight camping. Cold showers, fresh water, toilets and wood barbecues are available. The camping area is 300 m from the car park and all equipment must be carried in. Tents must be smaller than 3 m x 3 m and there is a maximum of 5 people per site.

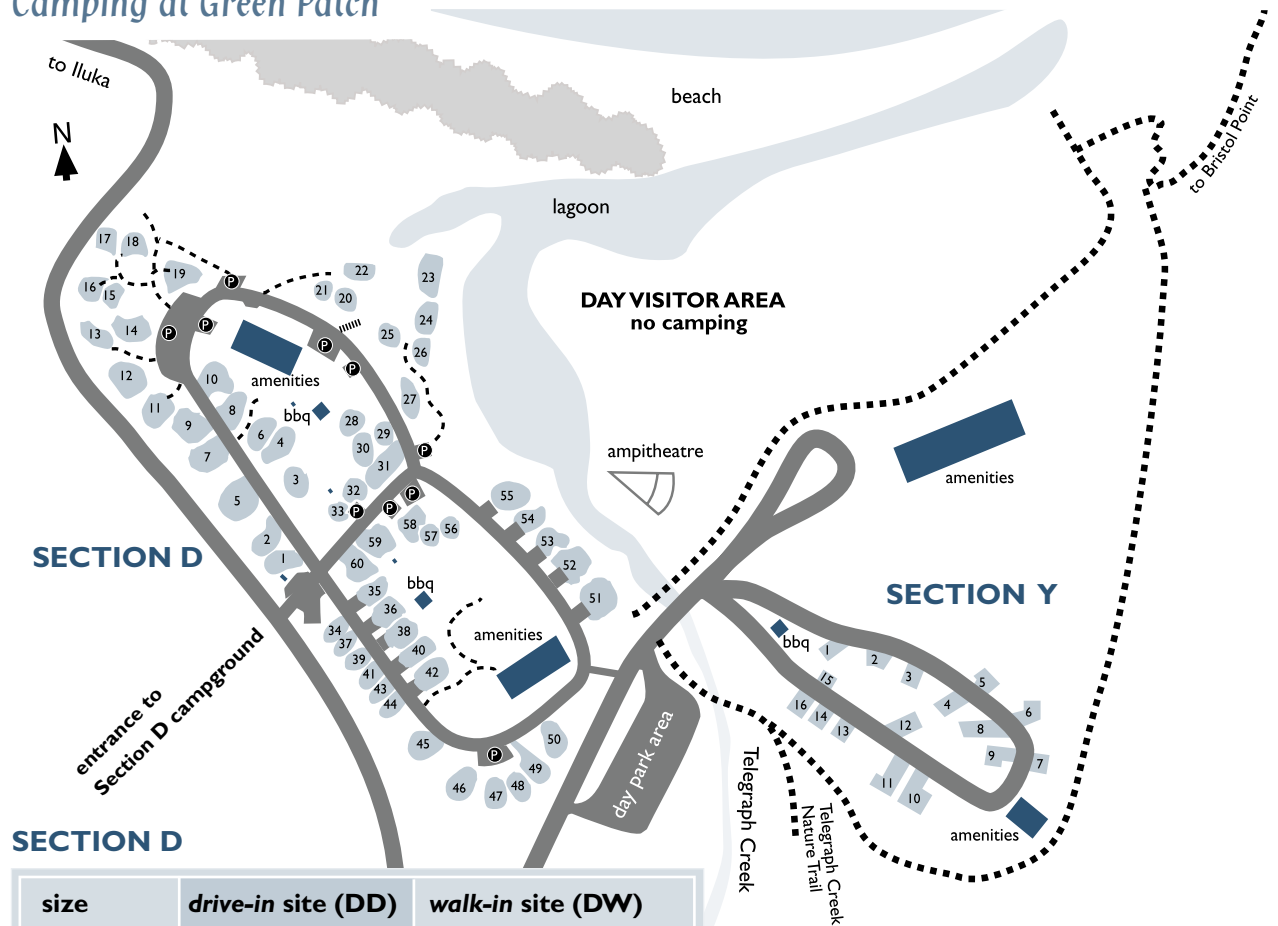

## camping at Green Patch and Bristol Point

The natural setting and discrete campsites at Green Patch (Section D and Y) are ideal for families and small groups, while Bristol Point camping area (Section M) is located in a delightful setting with some sites suitable for large groups. Fresh water, hot showers, toilets, barbecues are available, although it is advisable to bring a personal gas barbecue.
