Whole day itinerary #4 | adventure seekers

1: Start: Visitors Centre

The Booderee Visitor Centre has enthusiastic staff ready to provide helpful information on things to do and see in the Park.

2: Drive from Visitors Centre to Steammers Beach Car Park (15 minutes)

3: Steammers Beach Walking Trail (3 hrs return, 4.6 km, Hard)

Steammers Beach is a magnificent, isolated beach flanked by high cliffs and backed by steep sand dunes thought to have been created there by a tsunami.

From Steammers Beach car park the trail takes you through tall eucalypt forest and tea tree towards the coast. Then finishes with a steep flight of stairs.

4: Drive from Steammers Beach to Iluka (15 minutes)

- Iluka is a great place for a picnic lunch with free BBQ's provided.
- Walk along the beach to Green Patch and discover the varied marine and bird life within Booderee National Park.

5: Drive from Iluka to Murrays Beach (5 minutes)

Murrays Beach offers visitors a variety of activities:

- Off the rock platform is a great place to snorkel and discover the large variety of marine life Booderee is home to.
- Murrays Beach pristine water and white sand offers a great place to swim or just relax.
- On suitable days the flat, clear water provides a safe place to kayak.
- Walk on to Governor's Head look-out for magnificent views and the chance of seeing a whale in the migration seasons.
- If you decide to stay a little longer a visit to the Booderee Botanic Gardens is well worthwhile.
