

### **Precinct Management Model Workshops**

The 3C completed its final round of public workshops in Bruce Rock, Bencubbin, Northam, Bunbury, Kalgoorlie, Karratha, Port Hedland and Perth. The aim of these workshops was to facilitate stakeholder discussion on Government's discussion paper on the legislative and regulatory frameworks for establishing, controlling and managing hazardous/industrial waste treatment precincts in Western Australia. The 3C was pleased to receive a wide range of comments which were recorded at the workshops. The closing date for submissions was 7 July 2006 and a total of 29 submissions have been received.

The 3C is currently reviewing and considering these submissions to assist formulating recommendations to the State Government on the establishment of legislative and management requirements that ensure precincts operate as intended. The recommendations will be forwarded to Government for consideration along with the 3Cs recommended sites.

### **Summary of precinct model submissions**

In the interests of keeping the 3C process open and accountable, a summary of the submissions received on the Government's Discussion Paper on a Precinct Management Model is now available on the 3C website [www.3c.org.au](http://www.3c.org.au) under 'What's New'. You can also obtain a copy by contacting the 3C on 6364 7019 or emailing [info@3c.org.au](mailto:info@3c.org.au).

### **Thank You**

The 3C would like to thank all stakeholders that have been involved in the 3Cs consultation process. The invaluable comments, ideas and suggestions that have resulted from the 3Cs consultation will enable the 3C to make informed recommendations to State Cabinet on the suitability of sites and on the legislative and management requirements of hazardous/ industrial waste treatment precincts for Western Australia.

### **Are you interested in receiving email information from the 3C?**

If you are interested in receiving newsletters and other information by email please let us know by emailing us at [info@3c.org.au](mailto:info@3c.org.au) with your name and current postal address (so we can find your details and update them).

**Alternatively if you wish to no longer receive the 3C Newsletter please advise us by:**

email - [info@3c.org.au](mailto:info@3c.org.au) or

phone - 6364 7019 or

fax - 6364 6532 or

write to us at Core Consultative Committee on Waste, PO Box K822, Perth WA 6842

Thank you.

*Thank you for your interest in our Stakeholder Involvement Program.*

The 3C has representatives from community/environment organisations, industry, local government and unions. Our current major focus is a stakeholder involvement program aiming to establish new and better hazardous waste treatment facilities in WA.
